

Celebrating Canada 2021

Bring a red and white dessert to the party

With any luck Canada Day will be blessed with great weather that brings clear sunny skies and warm temperatures that entice us outdoors. A chilled summer dessert is a great way to celebrate Canada's birthday and this one features local strawberries and Ontario goat cheese that achieve a Canada Day worthy red and white effect. This dessert tastes like ice cream in a bowl and the benefit is that it won't melt. Fragrant fresh local strawberries create a tasty topping for this rich creamy dessert featured in the recipe section of the Ontario Farm Fresh website (www.ontariofarmfresh.com).

Strawberries and Chevre Romanof

- 1 large log (10 oz/300 g) Ontario chevre (soft, unripened goat cheese), at room temperature
- 1/4 cup (50 mL) granulated sugar
- 1/4 cup (50 mL) 35% whipping cream
- 2 tbsp (25 mL) orange liqueur

Strawberries:

- 3 cups (750 mL) sliced fresh strawberries
- 3 tbsp (45 mL) granulated sugar
- 1 tbsp (15 mL) pure vanilla extract
- 1 1/2 tsp (7 mL) grated orange rind

Method: In a bowl and using electric hand mixer, beat together cheese, sugar, cream and liqueur until smooth and fluffy. Cover and refrigerate for at least 1 hour or until well chilled.

Strawberries: Meanwhile, in a bowl, stir together strawberries, sugar, vanilla and orange rind until well coated.

Divide cheese mixture into bowls or Mason jars and top with strawberries.

Makes 6 servings.

Make-ahead: Cheese mixture can be made up to three days ahead. For a richer and creamier taste, let the cheese mixture come to room temperature to serve.
